A TASTE OF PARADISE

PARADISE BAY RESORT ★★★★

WELCOME

Many people think of Paradise as the ultimate destination. At Paradise Bay Resort, we are dedicated to live up to that.

Situated in northern Malta but overlooking the island of Gozo and Comino, every single one of our rooms and dining areas has gorgeous Mediterranean Sea views.

LOCATION

The most beautiful sandy beaches are close, and short boat trips make the lush blue sea of Comino a stone's throw away.

Malta is ineffably fascinating, with its world heritage sites, baroque beauties, stately palaces and, simultaneously, inspiring modernity. The smaller, quieter Gozo is a melting pot of centuries of culture, tradition and natural beauty.

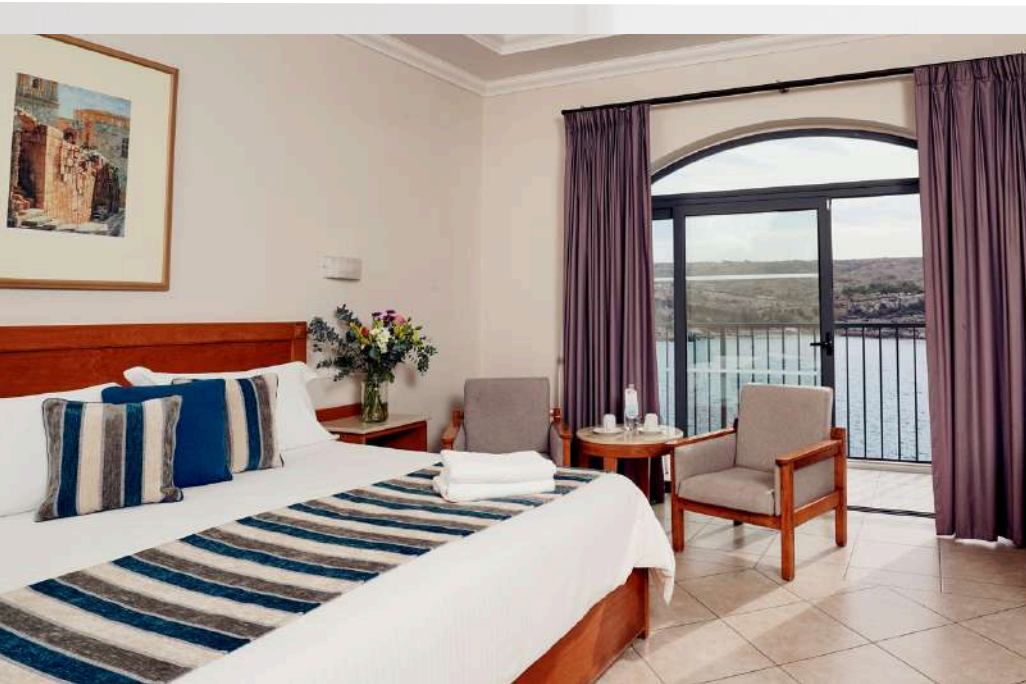

The contrast between the two islands is tangible, yet so are the commonalities, such as the majestic Churches and the way in which all things old are consistently intertwined with all things new.

To gain first-hand experience and understand the eclectic uniqueness that is Malta and Gozo, we invite you to stay at the Paradise Bay Resort.
